6. Roster must be turned into the tournament at least one (1) hour prior to the first game or mailed to the tournament office before arrival.

### C. WAIVERS

1. All Players are required to have completed and turned in a Medical/Liability waiver, signed by the player and the parent/guardian before being allowed to play.

### D. GAME INFORMATION

2. Each team will be scheduled for three games.
3. All games will have a running clock. The tournament runs on schedule. Each team shall be prepared to take the field at the scheduled time. No field warm up will be allowed.
4. A game is official if one half has been completed.
5. An official Futsal ball will be used for all divisions.
6. Teams will occupy one side of the field and spectators the other side of the field.

9. Six (6) players will be allowed on the field at one time. One player may be designated as a goalkeeper.

### E. PLAY

2. Teams will switch sides at half time. The team that defended the opening kick-off will kick off to start the second half.
3. There is no offside rule.
4. Slide tackling is not allowed.
5. All free kicks will result in an indirect kick that must be touched by a teammate of the kicking team before a goal can be scored.

7. On corner kicks the ball will be placed on the corner of the side and end lines (no corner throw-ins).
8. Violation fouls within the goalkeepers box will be penalized by having a player removed from the offending team for a three (3) minute penalty. There are NO penalty kicks! The player removed will be selected by the coach of the offending team (unless the player is also receiving a violation card). The offending team will play with one (1) less player. If the violation also results in a yellow card, the yellow card rule is also in effect (see H—red/yellow cards). The maximum time, if the non-offending team does not score, will be six (6) minutes. If the violation results in a red card, the red card rule also is in effect (see H—red/yellow cards). The maximum penalty time served, if the non-offending team does not score, is nine (9) minutes.

No ball may be passed through the air from a team's defensive third of the field to the same team's offensive third of the field without touching the ground or a player of either team. This includes the throw from the goal keeper. The violation will cause the possession of the ball to be awarded to the non-offending team. The ball will be put into play on the center of the non-offending team's

offensive third line by indirect kick.

**10.** Goalkeepers are not allowed to punt or drop kick the ball. The goalkeeper may either kick the ball from the ground or throw the ball. For the goalkeeper to touch the ball with his/her hands, the ball must be in the goal box area, goalkeeper may be outside of the goal box area.

**12.** If the ball touches a part of the ceiling or lighting, the ball is considered out of play. An indirect kick will be awarded to the non-offending team at the location of the obstruction.

**13.** Mercy Rule -If at any point during a match the goal differential becomes 5 or more goals, the team behind may add an additional player until the 5 goal spread has been eliminated in which case the additional player must be withdrawn from play.

If more than one penalty is being served, the shortest remainder of time penalty will be removed. The other penalty times will remain in effect.

**2.** If a second yellow card is issued to a player or coach during the same game the player or coach will be disqualified from play for the remainder of that game and the next scheduled game of the tournament.

# WHAT IS GOOD SPORTSMANSHIP?

One of the concepts we would like to emphasize at our tournament this year is the idea of good sportsmanship. Sportsmanship is a term that is used in many athletic contexts but is rarely explained. Good sportsmanship can be defined as following the rules, the spirit and the etiquette of the game that is being played. Participants demonstrate good sportsmanship when they play fairly, when they respect their opponent, and when they act in a dignified manner and display good character whether they win or lose.

In order to teach good sportsmanship to children who are participating in athletic contests, the adults who are coaching or watching the games also must model this important concept by cheering in a positive manner and by avoiding negative comments to the officials.

**The following are some examples of GOOD sportsmanship as well as POOR sportsmanship.**

## **Exemplary behavior by participants includes:**

- Treating opponents with respect by shaking hands before or after a contest or by picking up an opponent who might need your help (see story below).
- Abiding by the rules, accepting the decisions by the referees and maintaining self-control.
- Demonstrating concern and understanding for the expected behavior of a particular sport. In soccer this includes kicking the ball out of bounds when an opponent is injured or returning the ball to the other team after they have kicked it out of bounds during an injury time-out.

## **Exemplary behavior by fans, parents, and coaches includes:**

- Shouting words of encouragement rather than directions (unless you are designated as the coach).
- Keeping your comments positive rather than derogatory or negative especially to the game officials.
- Applauding outstanding plays by your team and by the opposing team.
- Keeping your perspective concerning the event. It's only a game and in most cases a loss will not destroy your child's self image or ruin their enjoyment for the sport. In fact, in most cases, your child will forget about the result very quickly after they leave the venue.
- Having fun watching your child participate in a sport they love.

## **Poor behavior includes:**

- Yelling at opponents and/or opponents fans
- Disrespectful or derogatory yells, chants, or gestures.
- Booing or heckling an official's decisions.
- Criticizing officials in any way or displaying bad temper with an official's call.
- Using profanity in any manner.
- Throwing objects onto the floor or at an opponent.
- Entering the floor/field while the game is in progress.
- Refusing to comply with an administrator's directive.
